Sir:

In light of the previous telephone conference between Examiner Neuder and Keith Derrington the issue of having Morton Iversen listed on the above referenced application as an inventor was raised. Additionally, please note that this application has been allowed and the issue fee is due April 23, 2004.

Transmitted herewith is a copy of a Request for Continued Examination (RCE) in the above-identified Application, filed August 13, 2003. Please note on page 3, Paragraph II of the RCE that the inventors with regard to this RCE are listed. Mr. Iversen is not on that list. Because Mr. Iversen is not listed as an inventor on this RCE, it is requested that his name be removed from the application and not appear on the patent.

Should you have any questions or comments, please contact this office. Thank you for your attention to this matter.

Very truly yours,

Keith R. Derrington
